Description

This 2017 Toyota C-HR VVT-h Dynamic is a well-maintained example of this popular hybrid crossover, having covered 48,281 miles. It is powered by a 1.8-litre petrol hybrid engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. The Dynamic trim level offers a comprehensive specification, making it a practical choice for those seeking a reliable and efficient vehicle. The vehicle stands out for its impressive fuel economy, achieving up to 72 mpg, which helps to keep running costs manageable alongside its low insurance group rating and low CO2 emissions. Comfort and convenience are prioritised with features such as dual-zone automatic air conditioning and heated seats for both the driver and front
