Description

This 2020 Toyota AYGO VVT-i x-cite is a smart choice for those seeking an economical and well equipped city car. Powered by a 1.0L Euro 6 petrol engine, this model offers an impressive fuel economy of 57 miles per gallon, making it a cost effective option for daily driving. Inside, you'll find automatic air conditioning with climate control for your comfort, and auto headlights that adjust to lighting conditions. Parking is made easier with a reversing camera and rear parking assistance, while the 7in x-touch multimedia system, complete with Bluetooth, keeps you connected. Smartphone integration, powered by Pioneer, further enhances your experience with Android Auto and Apple CarPlay compatibility. The AYGO x-cite stands out with its low insurance group and

low CO2 emissions, indicating its efficiency and affordability compared to other vehicles in its class. These highlights mean lower running costs and a more environmentally friendly drive. This 2020 model combines practicality with modern technology, offering a comfortable and connected journey for any driver.
