Description

This 2021 MG MG5 Excite electric car boasts exceptionally low mileage for its age, having covered just 20,852 miles. It comes with a full dealership service history, with the last service completed on 2026-02-17 at 20,272 miles, and will be supplied with a 12 month MOT for your peace of mind. This electric estate offers a generous boot space, making it a practical choice for families or those needing extra room. The MG5 Excite is equipped with a 53 kWh battery, providing a maximum range of 214 miles when new. Charging is convenient, with a full charge at home taking approximately 25 hours using a 7kW charger, and a rapid charge to 80% possible in just 45 minutes at a public charging station. Notable features include a rear parking camera and rear parking

sensors to aid manoeuvring, Bluetooth connectivity for seamless phone integration, and Apple CarPlay to keep your favourite apps accessible. The cabin also benefits from air conditioning with an odour filter, ensuring a comfortable environment. The 12 months warranty offers further reassurance.
