Description

This 2018 Toyota Auris VVT-i Design is a Toyota manufacturer approved vehicle, meaning it has undergone rigorous checks for your peace of mind. It boasts a full service history, ensuring it has been well maintained throughout its life. Under the bonnet, you'll find a 1.2 litre petrol engine, compliant with Euro 6 emissions standards. This model comes equipped with automatic air conditioning, including climate control, a Bluetooth hands free system for seamless connectivity, and a rear view reversing camera with parking assistance, making manoeuvring easier. The Auris VVT-i Design offers a generous boot space, perfect for all your luggage needs. Its 1.2 litre engine provides a responsive 0-62mph acceleration in just 10.1 seconds,

demonstrating its capability. The inclusion of Bluetooth music streaming further enhances your driving experience, allowing you to enjoy your favourite tunes on the go. These features collectively highlight how this Auris offers a well rounded and convenient package compared to other vehicles in its class.
