Description

This 2022 Vauxhall Mokka Electric Ultimate is a superb example, having been owned by only one person since new. This stylish electric SUV boasts a 50 kWh battery, offering a maximum range of 209 miles when fully charged. Recharging at home on a 7kW charger takes approximately 7 hours and 30 minutes, while rapid public charging can take you from empty to 80% in just 30 minutes. The Ultimate trim level comes equipped with a host of advanced features designed to enhance your driving experience. These include IntelliLux LED Matrix Headlights for optimal visibility, Front and Rear Parking Distance Sensors to aid manoeuvring, and Adaptive Cruise Control for effortless long journeys. The 10 inch Multimedia Navi Pro system with Live Navigation

seamlessly integrates Android Auto and Apple CarPlay, keeping you connected and informed. Safety is paramount, with Side Blind Spot Alert and Flank Guard providing an extra layer of awareness. These features collectively demonstrate the Mokka Electric Ultimate's superior comfort, convenience, and safety compared to other vehicles in its class.
