Description

This 2021 Toyota AYGO VVT-i x-trend offers a practical and modern driving experience, perfect for those seeking a reliable city car. As an x-trend variant, this model comes well-equipped with a 1.0L petrol engine that meets Euro 6 emission standards. Inside, the cabin features a 7in x-touch multimedia system with Bluetooth connectivity, alongside smartphone integration powered by Pioneer, which supports both Apple CarPlay and Android Auto. Drivers also benefit from automatic air conditioning with climate control, automatic headlights, and a reversing camera to assist with parking manoeuvres. The AYGO stands out in its class by balancing everyday usability with cost-effective motoring. It is designed to be economical, achieving an impressive

58 mpg, which helps to keep running costs manageable. Furthermore, the vehicle is positioned in a low insurance group and produces low CO2 emissions, making it an efficient choice for budget-conscious drivers who do not want to compromise on essential technology or comfort.
