Description

This 2018 Skoda Citigo MPI Colour Edition is a rare find, having been kept by only one owner from new and covering just 20,500 miles. This compact hatchback is powered by a 1.0 litre petrol engine that meets Euro 6 emission standards, making it a practical choice for modern driving. The vehicle comes with a full dealership service history, providing peace of mind regarding its maintenance, and is further supported by a 12 month warranty. As part of the Colour Edition trim, it offers a well-equipped interior designed for everyday comfort and reliability. Choosing this vehicle offers significant advantages for those looking to keep running costs to a minimum. It is particularly economical, achieving an impressive 64 mpg, which helps reduce fuel expenditure

on both short trips and longer journeys. Furthermore, the car falls into a low insurance group, making it an affordable option to insure, while its low CO2 emissions contribute to a more environmentally conscious drive. These combined attributes make this Citigo a sensible and cost-effective solution for drivers seeking a dependable and efficient small car.
