Description

This 2018 Citroen C1 VTi Feel offers a practical and stylish solution for city driving. As a compact hatchback, this model features a 1.0 litre petrol engine that meets Euro 6 emission standards. Inside, the cabin is designed with attention to detail, showcasing a gloss black multimedia surround and gear lever surround, complemented by a satin grey upper dashboard and matt black air vent surrounds. The exterior is finished with chrome chevrons featuring gloss black surrounds, while safety is prioritised through the inclusion of driver, front passenger, front lateral, and curtain airbags. For added security, the vehicle is equipped with locking wheel nuts, and the interior environment is kept comfortable with the inclusion of air conditioning. This vehicle stands out as

an economical choice for daily travel, boasting an impressive fuel economy of 57 mpg. It is particularly well suited for budget conscious drivers, as it falls into a low insurance group and produces low CO2 emissions. These attributes combine to make the C1 a sensible and efficient option for those seeking a reliable car that helps to reduce ongoing running costs without compromising on essential modern features.
