Description

This 2016 Peugeot 108 Active is a well-maintained choice with only two owners from new and a low mileage of 38,239 miles. This compact hatchback is powered by a 1.0-litre petrol engine that meets Euro 6 emission standards, making it a practical option for city driving. The vehicle comes with a full service history, having been most recently serviced on 15 July 2025 at 34,946 miles. Inside, the cabin is equipped with manual air conditioning to keep the temperature comfortable, and a Bluetooth telephone facility is included to help you stay connected while on the move. Choosing this model offers several practical benefits that make it a sensible option compared to others in its class. It is particularly economical to run, offering an impressive fuel economy

of 67 mpg, which helps to keep ongoing costs down.
Furthermore, the vehicle falls into a low insurance group and produces low CO2 emissions, making it an efficient and cost-effective car for daily use.
