This 2020 Toyota AYGO VVT-i x-trend offers a rare find with its very low mileage of just 16,000 miles. This compact hatchback is powered by a 1.0 litre petrol engine that meets Euro 6 emission standards, ensuring it remains efficient for modern driving. The vehicle comes with a full dealership service history, having been last serviced on 11 February 2026 at 15,475 miles. To provide peace of mind, the car includes a 12 month warranty and will be supplied with a fresh 12 month MOT upon purchase. Inside, the x-trend trim is well equipped with automatic air conditioning and climate control, alongside a 7 inch x-touch multimedia system that features Bluetooth connectivity. Drivers can also benefit from smartphone integration with Apple CarPlay and

Android Auto, a reversing camera with parking assistance, and automatic headlights that switch on when needed. Choosing this model is a practical decision for those seeking efficiency and ease of ownership. The vehicle is designed to be economical, achieving an impressive 57 mpg, which helps keep running costs down. Furthermore, its low CO2 emissions and low insurance group rating make it an affordable choice for a wide range of drivers. These attributes combine to create a reliable and cost-effective driving experience that stands out in the city car segment.
