Description

This 2019 Peugeot 208 Tech Edition offers a reliable choice for your next vehicle, having covered a low mileage of 39,821 miles. This hatchback is powered by a 1.2 litre petrol engine that meets Euro 6 emission standards and comes with a full service history, with the most recent service completed at 39,508 miles on 14 July 2026. Inside, the cabin is equipped with a 7 inch multifunction colour touchscreen that supports Apple CarPlay and Android Auto, alongside Bluetooth connectivity for your devices. The vehicle also includes a Visibility Pack with automatic headlights, as well as comprehensive parking support featuring front and rear sensors and a colour reversing camera to assist with manoeuvring. Choosing this model provides practical

benefits that make it a sensible option for daily driving. The engine is designed for efficiency, achieving 52 mpg, which helps to keep running costs manageable. Furthermore, the vehicle falls into a low insurance group and produces low CO2 emissions, making it an economical choice compared to many other cars in its class. These combined features ensure that the Peugeot 208 Tech Edition remains a cost effective and well equipped solution for those seeking a modern and reliable hatchback.
