Description

This 2019 Kia Picanto X-Line offers a practical and reliable choice for drivers seeking a compact vehicle that is easy to run. As a 2019 model, this X-Line variant is powered by a 1.25 litre petrol engine that meets Euro 6 emission standards, making it a sensible option for modern driving requirements. The interior is well equipped to assist with daily journeys, featuring air conditioning for comfort and a reversing camera system with dynamic guidelines alongside rear parking sensors to help with manoeuvring. Connectivity is straightforward thanks to the inclusion of Apple CarPlay with voice control, while automatic headlight control ensures visibility is managed without extra effort. The Picanto X-Line stands out in the city car segment due to its combination of helpful technology and low running costs. It sits in a low insurance group, which helps to keep annual ownership expenses manageable compared to many other vehicles in its class. By blending essential driver assistance features with efficient performance, this car provides a balanced experience that prioritises ease of use and value for money for its next owner.

173 Cross Lane, Salford, United Kingdom, M5 4AP
