### Description

The 2019 Peugeot 208 Tech Edition is a practical hatchback powered by a 1.2 litre petrol engine that meets Euro 6 emission standards. This specific trim level focuses on integrating modern technology into the driving experience, ensuring that essential connectivity and convenience features are readily available. The vehicle is designed to offer a balanced performance suitable for a variety of driving needs, combining the reliability of the Peugeot brand with the specific equipment found in the Tech Edition specification. This model stands out due to its combination of efficiency and driver assistance technology. It achieves a fuel economy of 52 mpg, which is complemented by low CO2 emissions and a low insurance group, making it a cost effective choice for

many drivers. The inclusion of the Visibility Pack, which features automatic headlights, adds convenience to daily journeys. Parking is made straightforward with the Park Assist system, which includes front and rear sensors alongside a colour reversing camera. Inside, the 7 inch multifunction colour touchscreen supports Apple CarPlay and Android Auto, while Bluetooth connectivity ensures that staying connected while on the road is simple and seamless.
