Description

This 2019 Peugeot 208 GT Line is a compact hatchback that combines practical design with a capable 1.2 litre petrol engine. As a Euro 6 compliant vehicle, it meets modern emission standards while offering a balanced driving experience. The GT Line trim level provides a specific set of equipment designed to enhance the daily commute and longer journeys alike. The vehicle includes a range of technology and convenience features that improve the overall driving experience. Drivers can utilise the 7 inch multifunction colour touchscreen, which supports both Apple CarPlay and Android Auto for seamless smartphone connectivity, alongside Bluetooth for hands free communication. Comfort is managed by the automatic dual zone air conditioning with climate control, while the Visibility Pack adds automatic headlights for added convenience. Parking is made simpler with the inclusion of rear parking sensors. Performance is responsive, with the car capable of accelerating from 0 to 62mph in 9.3 seconds, all while maintaining low CO2 emissions.
