Description

This 2017 Nissan Qashqai DIG-T N-Vision is a well-maintained vehicle that has been kept by only one owner from new. With a low mileage of 23,985 miles, this SUV is powered by a 1.6-litre petrol engine that meets Euro 6 emission standards. The N-Vision trim level offers a comprehensive specification, including a panoramic sunroof with a one-touch shade and dual-zone climate control air conditioning to ensure comfort for all passengers. The vehicle is designed to be practical and efficient, offering a fuel economy of 49 mpg and low CO2 emissions, which helps to keep running costs manageable. It also falls into a low insurance group, making it an economical choice for many drivers. Performance is responsive, with the ability to accelerate from 0-62mph in 8.9 seconds. Technology is a key focus of this model, featuring the Tech Pack which includes Bluetooth connectivity and a 360-degree camera for parking assistance. Additionally, the Smart Vision Pack provides front and rear parking sensors, while the intelligent key system allows for convenient keyless entry.
