Description

The 2022 Renault Clio TCe SE Edition is a practical hatchback that combines modern design with efficient performance. Powered by a 1.0L petrol engine, this vehicle meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. Inside, the cabin is equipped with a range of technology designed to assist the driver, including a handsfree keycard with push button start and stop, as well as keyless entry. For added convenience, the car features automatic climate control to maintain a comfortable cabin temperature, and the EASY LINK 7in touchscreen system provides navigation, Bluetooth connectivity, and compatibility with both Android Auto and Apple CarPlay. This model is designed to offer a balanced driving experience, highlighted by an impressive fuel economy of 53 mpg and low CO2 emissions, which helps to reduce running costs. Manoeuvring in tight spaces is made simpler thanks to the inclusion of both front parking sensors and a rear-view camera, providing comprehensive parking assistance. Furthermore, the vehicle offers a large boot space, making it a versatile choice for those who require extra room for luggage or shopping. These features

combine to create a well-rounded vehicle that prioritises
