Description

The 2020 Toyota AYGO VVT-i x-play is a practical hatchback designed for efficient city driving. This model is powered by a 1.0 litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. As an x-play trim, it offers a balanced specification that focuses on essential comfort and convenience for daily use. This vehicle stands out for its economical performance, achieving an impressive 57 mpg, which helps to keep running costs manageable. It is also positioned in a low insurance group, making it a sensible choice for a wide range of drivers. The interior is equipped with a 7 inch x-touch multimedia system that includes Bluetooth connectivity for easy phone integration. Parking is made simpler by the inclusion of a reversing camera with parking assistance, while manual air conditioning ensures the cabin remains comfortable regardless of the weather. These features, combined with low CO2 emissions, make this AYGO a well-rounded option for those seeking a reliable and cost-effective car.
