Description

This 2019 Toyota AYGO VVT-i x-trend is a compact and practical hatchback that comes with a full dealership service history. Powered by a 1.0 litre petrol engine, this vehicle meets Euro 6 emission standards, making it a reliable choice for city driving and daily commutes. The x-trend trim level offers a balance of style and functionality, ensuring that the vehicle remains a sensible option for those seeking a well-maintained car with a clear service background. The vehicle is equipped with a range of modern features designed to make driving easier and more comfortable, including automatic headlights and automatic air conditioning for climate control. Drivers can stay connected through the 7-inch x-touch multimedia system, which includes Bluetooth connectivity, while the reversing camera provides helpful parking assistance. Beyond its technology, this model is an economical choice, offering 57 mpg fuel economy, low CO2 emissions, and a low insurance group, all of which help to keep running costs manageable compared to other vehicles in its class.
