### Description

The 2019 Toyota Yaris VVT-i Icon Tech is a practical hatchback that combines reliability with efficient performance. This specific vehicle is powered by a 1.5 litre petrol engine and meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. With only one owner from new, this car has been well maintained and offers a straightforward ownership history for its next driver. This model is designed to make daily driving easier and more affordable, standing out due to its low insurance group and low CO2 emissions, which help keep running costs manageable. The Icon Tech trim level adds useful technology to assist with everyday tasks, including front parking sensors and a reversing camera to help with manoeuvring in tight spaces. Additionally, the inclusion of Bluetooth connectivity allows for seamless integration of mobile devices, ensuring that staying connected while on the move is simple and convenient.
