Description

The 2019 Toyota AYGO VVT-i x-trend is a compact and practical vehicle designed for modern driving. This specific model features a 1.0 litre petrol engine that meets Euro 6 emission standards, making it a suitable choice for those looking for a reliable and efficient car. As an x-trend trim, it combines essential functionality with a straightforward design, offering a balanced driving experience for daily commutes or city travel. This vehicle stands out due to its focus on efficiency and user-friendly technology. It achieves an impressive fuel economy of 57 mpg and benefits from low CO2 emissions, which helps to keep running costs manageable. The car is also placed in a low insurance group, making it an economical option for a wide range of drivers. Inside, the cabin is equipped with a 7 inch x-touch multimedia system that includes Bluetooth connectivity and smartphone integration for both Apple CarPlay and Android Auto. To assist with everyday parking, the car includes a reversing camera with parking assistance, while automatic air conditioning with climate control ensures a comfortable environment regardless of the weather.
