Description

This 2021 Vauxhall Crossland X Turbo Griffin is a practical choice for those seeking a reliable vehicle. As a Vauxhall manufacturer approved model, it offers peace of mind regarding its condition and history. This particular example has been well maintained by its only one owner and has covered a very low mileage of 25,799 miles. Under the bonnet, it features a 1.2 litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The vehicle is equipped with several useful features designed to make daily driving more convenient, including air conditioning and automatic lighting control that switches the headlights on when needed. Parking is made simpler thanks to the front camera system, which provides helpful assistance when manoeuvring. Beyond its equipment, this model stands out for its efficiency, offering a fuel economy of 47 mpg. It is also an economical option to run, benefiting from a low insurance group and low CO2 emissions, making it a sensible and cost effective choice compared to many other vehicles in its class.
