Description

This 2019 Skoda Fabia SE is a well-maintained hatchback that comes with a 1.0-litre petrol engine and meets Euro 6 emission standards. As a Skoda manufacturer approved vehicle, it offers peace of mind and includes a 12-month warranty. The car has a full service history and has covered 23,102 miles, which is a very low mileage for its age. The Fabia SE is designed to be a practical choice for everyday driving, offering a large boot space that provides plenty of room for luggage or shopping. It is also an economical option, featuring low CO2 emissions and falling into a low insurance group, which helps to keep ongoing running costs manageable. These attributes combine to make it a sensible and efficient vehicle for those seeking reliability and value.
