Description

This 2018 Mazda2, presented in the GT Sport Nav+ trim, offers a practical and reliable driving experience. Powered by a 1.5 litre petrol engine that meets Euro 6 emission standards, this vehicle has been maintained by only two owners from new. It combines efficient performance with a refined design, making it a suitable choice for those seeking a well-kept hatchback. The vehicle is equipped with several features designed to enhance convenience and comfort on the road. Drivers benefit from smart keyless entry and rear parking sensors with parking assistance, which simplify daily manoeuvres. Visibility is improved by LED headlights with daytime running lights, while the colour head up display provides essential information directly in the driver's line of sight. Inside, the front heated seats add a level of comfort during colder weather. With a 0 to 62mph acceleration time of 9.7 seconds and low CO2 emissions, this model balances responsive handling with environmental efficiency, setting it apart as a capable and thoughtful option in its class.
