Description

This 2019 Toyota AYGO VVT-i x-play is a practical choice for those seeking a reliable city car. As a Toyota manufacturer approved vehicle, it offers peace of mind, further supported by a 12-month warranty and a fresh 12-month MOT provided upon purchase. This particular example has been well maintained by its single previous owner and has covered only 17,500 miles, which is very low for its age. The vehicle comes with a partial service history and is powered by a 1.0-litre petrol engine that meets Euro 6 emission standards. The AYGO is designed to be economical and easy to run, boasting an impressive fuel economy of 57 mpg and low CO2 emissions, which helps keep ongoing costs down. It also sits in a low insurance group, making it an accessible option for a wide range of drivers. Inside, the cabin is equipped with a 7-inch x-touch multimedia system that includes Bluetooth connectivity for easy phone integration. Parking is made straightforward thanks to the integrated reversing camera with parking assistance, while the manual air conditioning ensures the interior remains comfortable regardless of the weather.
