Description

This 2020 Skoda Fabia SE Drive is a practical hatchback powered by a 1.0 litre petrol engine that meets Euro 6 emission standards. As a Skoda manufacturer approved vehicle, it comes with the added peace of mind of a 12 month warranty and a full service history, ensuring it has been maintained to high standards. The SE Drive trim offers a sensible choice for drivers, particularly due to its low insurance group, which helps to keep running costs manageable. Inside, the vehicle is designed with practicality in mind, featuring a large boot space that provides ample room for luggage or shopping. These attributes combine to make this model a reliable and economical option for those seeking a well maintained and efficient car for daily use.
