Description

This 2019 Peugeot 208 Tech Edition is a well-maintained hatchback that comes with the peace of mind of being Peugeot manufacturer approved. It has covered 41,577 miles, which is considered low for its age, and it benefits from a full service history. The most recent service was completed on 14 January 2026 at 39,628 miles. To provide further reassurance, this vehicle is sold with a 12-month warranty, ensuring you can drive away with confidence in its condition and history. Equipped with a 1.2-litre petrol engine that meets Euro 6 emission standards, this car is designed to be efficient, offering an impressive fuel economy of 52 mpg. It is also notable for its low CO2 emissions and low insurance group, making it a practical and cost-effective choice for daily driving. The Tech Edition trim is packed with useful features, including a 7-inch multifunction colour touchscreen that supports Apple CarPlay and Android Auto for seamless connectivity. Parking is made straightforward thanks to the inclusion of front and rear sensors, a colour reversing camera, and park assist. Additionally, the vehicle features automatic dual-zone air conditioning for climate control and a visibility pack that includes automatic headlights, all of which combine to offer a comfortable

and convenient driving experience.
