Description

With only 12745 miles on the clock, this 2023 Nissan ARIYA Evolve is practically brand new. As a Nissan manufacturer-approved vehicle with 12 months warranty, you can drive away with complete peace of mind. The ARIYA Evolve is an all-electric vehicle, complete with intelligent key, start push button with easy access and keyless entry. The vehicle is equipped with front and rear parking sensors, including parking assistance, and blind spot intervention, including blind spot assistance. The interior features stylish synthetic leather with Ultrasuede inserts in grey, and automatic dual-zone climate control. The ARIYA Evolve boasts a battery with a total capacity of 91 kWh. When new, the battery had a maximum range of 322 miles, which means you can enjoy longer journeys
