### Description

This 2024 Nissan ARIYA Evolve+ presents an exceptional opportunity with its remarkably low mileage of just 14,700 miles, a testament to its careful ownership. As a Nissan manufacturer approved electric vehicle, this ARIYA boasts a substantial 91 kWh battery, offering a maximum range of 310 miles when new. Its Four Wheel Drive drivetrain ensures confident handling in various conditions. The Evolve+ trim level comes equipped with intelligent features designed for convenience and safety, including Blind Spot Intervention, Intelligent Key with Easy Access for keyless entry, and front and rear parking sensors to aid manoeuvring. Automatic dual zone climate control ensures a comfortable cabin environment for all occupants. Experience the impressive performance of
