Description

The Peugeot E-5008, a 2024 GT model, is an all-electric car designed to accommodate up to seven occupants. This vehicle comes equipped with PEUGEOT i-Connect Advanced, offering seamless connectivity through Android Auto, Apple CarPlay, and Bluetooth. Convenience is enhanced with a smartphone wireless charger and rear parking sensors to simplify parking. Automatic headlights add to the ease of driving, while Mirror Screen, supporting both Apple CarPlay and Android Auto, ensures your smartphone is easily integrated. With a total battery capacity of 81 kWh, the E-5008 GT offers a maximum range of 310 miles when new. This impressive range means fewer stops on long journeys compared to similar electric vehicles.
