Description

The Peugeot 208 GT is a stylish and sporty compact car, known for its sleek design and dynamic performance. It features a distinctive exterior with sharp lines, a compact yet aggressive stance. The Peugeot E-208 GT, registered in 2025, is an all-electric car presented in the sporty GT trim. This vehicle has had only one owner and boasts very low mileage of just 1000 miles. It comes equipped with rear parking sensors, including parking assistance, and a 15W wireless smartphone charging plate for convenient on-the-go charging. The PEUGEOT i-Cockpit features a 10-inch configurable color 3D head-up instrument panel, and the automatic mono-zone climate control ensures a comfortable environment. The visibility pack includes automatic headlights. This E-208
