## Description

The Peugeot E-308 Allure, registered in 2025, is an electric car that combines practicality with modern features. This Allure trim model has had only one owner. It boasts a range of features designed for convenience and safety, including a 180 Degree HD Colour Reversing Camera with Parking Assistance, making parking a breeze. The heated steering wheel provides added comfort during colder months, while the Visibility Pack ensures optimal visibility with automatic headlights. Stay connected on the go with the Bluetooth Telephone Facility, and enjoy a comfortable cabin environment with Automatic Air Conditioning and the AQS 3 Air Quality System. With a 54 kWh battery, this E-308 offers a maximum range of 257 miles when new. Charging is
