## Description

The 2024 Peugeot E-3008 GT is an all-electric car presented in GT trim. This vehicle comes with the PEUGEOT i-Connect Advanced system, which includes Android Auto and Apple CarPlay, and also boasts adaptive cruise control with stop and go functionality. Manoeuvring is made easier with rear parking sensors and a reversing camera that includes a washing function. The interior is enhanced by a compact, heated, multifunction steering wheel trimmed in full grain leather with iced clay stitching, gloss black-satin chrome detailing, and a GT badge. Having had only one owner from new, this E-3008 GT is ready for its next adventure. With a battery capacity of 81 kWh, this E-3008 GT has a maximum range of 326 miles when new, meaning you
