Description

With only 325 miles on the clock, this 2025 CUPRA Tavascan V1 presents as an opportunity to acquire a nearly new vehicle. As an all-electric model, this Tavascan V1 comes with a full dealership service history and has had only one owner from new. Equipped with the Winter Pack, including heated seats, it also features a tow hook preparation and a wireless charger for convenient phone charging. The Predictive Adaptive Cruise Control, complete with adaptive cruise control, enhances your driving experience, while the three-zone Climatronic air conditioning ensures optimal comfort for all passengers. The CUPRA Tavascan V1 boasts a substantial boot space, making it more practical than similar vehicles. The battery, with a total capacity of 82 kWh, offers a
