Description

With only 500 miles on the clock and just one previous owner, this 2025 Peugeot e-Partner is practically brand new. As an electric 800 Professional Standard Panel Van, this short wheelbase, five-door vehicle offers a smooth automatic driving experience. The Professional trim includes a Smartphone Station with Bluetooth connectivity, manual air conditioning with air recirculation, and rear parking sensors for easy manoeuvring. Automatic headlights add to the convenience, making this e-Partner a practical choice for various needs. The e-Partner's 52 kWh battery provides a range of up to 213 miles when new, meaning you can travel further on a single charge. Charging at home using a 7kW charger takes approximately 7 hours and 30 minutes. For faster
