## Description

With only one previous owner, this 2025 Lexus RZ 300e Takumi is a superb electric vehicle. The Takumi trim adds a touch of luxury to this already impressive model. The vehicle is equipped with a 71 kWh battery, offering a manufacturer-quoted range of up to 267 miles when new. Charging is convenient, with the ability to replenish the battery from empty to 80% in as little as 34 minutes at the fastest public charging points. The Lexus RZ boasts a large boot space, making it more practical than similar vehicles. Enjoy a comfortable cabin with the dual-zone remote climate control air conditioning system, complete with a humidity sensor, automatic air recirculation control, nanoe technology, and S-Flow technology. The rear seats feature a manually folding backrest for added
