Description

With only 150 miles on the clock, this 2025 Peugeot e-Expert is practically brand new. As an electric e 1000 75kWh Professional Standard Panel Van Auto MWB 6dr, this vehicle offers a blend of efficiency and practicality. The Professional trim adds a touch of sophistication to this reliable workhorse, which has had only one owner from new. It comes equipped with user-friendly features such as automatic on-off headlight control, heated driver's seat, rear parking sensors, and manual air conditioning with a recirculation facility and chilled glovebox. The 75 kWh battery provides a maximum range of 230 miles when new, meaning you can confidently tackle your daily tasks. The 134 bhp engine delivers ample power for urban and long-distance driving.
