Description

With only one previous owner, this 2024 Peugeot E-5008 GT is ready for its next chapter. This electric, seven-seater vehicle combines practicality with modern technology. The GT trim adds a touch of sophistication to this versatile model. Enjoy the ease of automatic headlights, which include an automatic on function, ensuring optimal visibility at all times. Stay connected on the go with PEUGEOT i-Connect Advanced, featuring Android Auto, Apple CarPlay, and Bluetooth connectivity. The convenience continues with a smartphone wireless charger, and the PEUGEOT Open and Go system, which includes keyless entry. Adaptive Cruise Control with Stop and Go Function enhances your driving experience, making long journeys more relaxing. One of the car's
