Description

With only one previous owner, this 2024 Toyota bZ4X Vision represents a great opportunity to own a modern electric vehicle. The Vision trim offers a blend of comfort and technology for an engaging driving experience. Enjoy features such as the driver's memory seat, which recalls your preferred driving position, and the convenience of a wireless mobile phone charger. Parking is made easier with the reversing camera and the 360-degree panoramic view monitor. The intelligent adaptive cruise control enhances your driving experience, especially on longer journeys. The bZ4X has a 71 kWh battery, providing a maximum range of 278 miles when new. Charging at home using a 7kW charger takes approximately 9 hours and 10 minutes. For faster charging on the go, you can
