Description

This 2025 Lexus UX 300e Takumi is a pristine example, having had only one owner since new. As a fully electric vehicle, it offers a compelling blend of advanced technology and refined driving. The Takumi trim ensures a premium experience, complemented by a substantial 73 kWh battery that provides a maximum range of 281 miles. For convenient charging, a full charge at home using a 7kW supply takes approximately 11 hours and 2 minutes, while rapid public charging can replenish the battery from empty to 80% in just 1 hour and 8 minutes. The Lexus UX 300e Takumi is equipped with a suite of notable features designed to enhance your driving pleasure and safety. These include Bluetooth mobile phone connectivity for seamless calls and audio
