Description

This 2024 Volvo XC40 Plus Electric is an exceptional example, boasting remarkably low mileage for its age, having covered just 6521 miles. As a Plus trim model, it offers a sophisticated driving experience, powered by an electric drivetrain with a 69 kWh battery that provides a maximum range of 294 miles when new. The vehicle is equipped with stylish 20 inch five spoke diamond cut black alloy wheels, and for seamless connectivity, it features wired Apple CarPlay. Convenience is enhanced with Volvo Cars Services including app integration and keyless entry, while the 2 zone electronic climate control, complete with rear air vents and the CleanZone air quality system, ensures a comfortable cabin environment. Automatic LED headlights with active high beam and
