Description

This 2022 Toyota C-HR VVT-h Design is a superb example of modern hybrid motoring. As a Euro 6 compliant vehicle, it showcases Toyota's commitment to efficient and cleaner driving. This particular model benefits from a smooth 1.8L Petrol Hybrid engine, offering a refined driving experience. Inside, you'll find a host of desirable features designed for comfort and convenience, including a reversing camera with parking assistance, heated driver and front passenger seats, and smart entry with push-button start for effortless access. The dual-zone automatic air conditioning ensures a pleasant cabin temperature for everyone, while the blind spot monitor provides an extra layer of safety awareness. The highlights of this Toyota C-HR demonstrate its
