Description

This 2024 Toyota bZ4X Motion is a Toyota manufacturer approved electric vehicle with a full service history and only one owner. This impressive electric SUV boasts a 71 kWh battery offering a maximum range of 313 miles, making it ideal for both daily commutes and longer journeys. Charging is convenient, with a full charge at home taking approximately 9 hours and 10 minutes using a 7kW charger, while rapid public charging can take you from empty to 80% in just 34 minutes. The Motion trim level comes equipped with a range of notable features designed to enhance your driving experience. These include heated front seats for comfort in all weather, a wireless mobile phone charger for seamless connectivity, and a 360 degree panoramic view monitor along with a
