Description

This 2023 Toyota C-HR VVT-h GR SPORT is a Euro 6 compliant model, offering a blend of style and efficiency. It features a 1.8L petrol hybrid engine, combined with the GR SPORT trim for a distinctive look and feel. Key features include a reversing camera with rear parking assistance, a parking pack with front and rear sensors, and smart entry with push button start for convenient access. The Tech Pack further enhances this with blind spot assistance and additional parking sensors, while the heated driver and front passenger seats ensure comfort during your journeys. This C-HR GR SPORT stands out with its impressive fuel economy, achieving a highlight of 58 miles per gallon, which indicates it is more economical than many similar vehicles. It also benefits from a low
