Description

This 2023 Toyota Yaris Cross VVT-h Design is a superb example, having had only one owner since new. This stylish compact SUV is equipped with a responsive 1.5L petrol hybrid engine, meeting Euro 6 emission standards. Its Design trim level boasts practical and modern features, including LED projector headlights that automatically switch on, and intelligent adaptive cruise control for effortless journeys. Stay connected on the go with seamless Bluetooth connectivity, and manoeuvre with confidence thanks to the integrated reversing camera. The Yaris Cross is designed to be efficient and economical, achieving an impressive 63 miles per gallon. This vehicle also benefits from a low insurance group, making it an affordable choice for many drivers.
