Description

This 2023 Nissan Juke Tekna+ presents a superb ownership proposition, having been driven only 16,177 miles by its single owner. This compact and stylish crossover is powered by an efficient 1.6L Petrol Hybrid engine, meeting Euro 6 emissions standards. The Tekna+ trim level ensures a well equipped experience, featuring front and rear parking sensors with parking assistance for confident manoeuvring. Inside, you'll appreciate the convenience of Apple CarPlay and Google Android Auto, keeping you connected on the go. For added comfort, this Juke includes a Heat Pack with heated seats and a heated steering wheel, alongside a Comfort Pack with climate control. The highlights of this Nissan Juke demonstrate its appeal over similar vehicles.
