Description

This 2023 Toyota Yaris VVT-h GR SPORT is a prime example of modern efficiency and sporty design. As a Euro 6 compliant vehicle, it showcases a sophisticated 1.5L Petrol Hybrid engine, offering an impressive fuel economy of up to 64 miles per gallon. The GR SPORT trim level enhances its appeal with distinctive styling and a range of convenient features. These include automatic headlights that illuminate the road ahead, and LED front light guides for improved visibility. Inside, you'll find Bluetooth connectivity for seamless device integration and a reversing camera to assist with parking. Furthermore, the innovative Remote AC via MyT allows you to pre condition the cabin temperature before you even step inside. The low CO2 emissions of this Yaris GR
