Description

This 2025 Nissan Juke Tekna is a superb example, having had only one owner since new. This stylish Tekna variant is powered by an efficient 1.6L Petrol Hybrid engine, meeting Euro 6 emission standards. It comes equipped with practical features such as front and rear parking sensors, a rear view camera for easier manoeuvring, and Bluetooth connectivity with both USB A and C ports. For enhanced comfort, the Juke includes a Heat Pack, providing heated seats and a heated steering wheel, perfect for colder days. Seamless integration with your smartphone is guaranteed thanks to Apple CarPlay and Google Android Auto. The Nissan Juke Tekna offers significant advantages over similar vehicles. Its impressive fuel economy of 60 mpg means fewer trips to
