Description

This 2022 Nissan Juke Tekna presents an exceptional opportunity with its remarkably low mileage of just 9435 miles, having been owned by only one careful keeper. This Euro 6 compliant 1.6L Petrol Hybrid model combines efficiency with advanced technology, featuring the Comfort Pack for climate control, and the convenience of Intelligent Key with push button start and walk away lock functions. Navigating and parking are made effortless with rear parking sensors and the comprehensive ProPilot Pack, which includes a 360 degree camera and blind spot assistance, all complemented by striking LED headlights. This Juke Tekna stands out with its impressive fuel economy of 55 mpg, demonstrating its efficiency compared to other vehicles in its class.
