Description

This 2025 Toyota Yaris VVT-h Design is a prime example of modern efficiency and intelligent design. Featuring a responsive 1.5L Petrol Hybrid engine and meeting Euro 6 emission standards, this model offers a smooth and economical driving experience. The Design trim level comes equipped with a suite of convenient features, including automatic LED headlights that illuminate the road ahead, and a reversing camera to assist with parking. For enhanced comfort and safety on longer journeys, it boasts Adaptive Cruise Control, allowing you to maintain a set distance from the vehicle in front. Furthermore, seamless smartphone integration with Apple CarPlay and Android Auto ensures your digital life stays connected on the go. The Toyota Yaris VVT-h
