Description

This 2023 Mazda2 HYBRID Select is a well-maintained vehicle that comes with the peace of mind of being Mazda manufacturer approved. Having had only one owner from new, this car is a reliable choice for those seeking a modern and efficient hatchback. It is powered by a 1.5L petrol hybrid engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations while providing a smooth driving experience. The Mazda2 HYBRID stands out for its impressive efficiency, offering a fuel economy of 74 mpg alongside low CO2 emissions, which helps to reduce running costs. It is equipped with a range of advanced technology designed to assist the driver, including Blind Spot Monitoring with Rear Cross Traffic
